

RESIDENTIAL OUTREACH SERVICE

0422 006 655

Monday to Friday 9.00am – 5.00pm

Same day assessment for referrals received before 3.30pm.

If your GP or locum is unavailable

Call our team when you are:

- Unable to access the resident's GP
- Considering sending a resident into ED
- Needing assistance performing a procedure
- Requiring some timely clinical advice

Areas that the Outreach Service can assist:

- Clinical assessment and initial management of unwell or injured residents
- Medical review
- Treatment options without hospital transfer
- Basic bedside blood tests
- Intravenous fluids and medications
- Catheter/ PEG troubleshooting and changes
- Communication with resident's GP & family

THIS IS A FREE SERVICE
